ROUNDTABLE DISCUSSIONS WITH PEOPLE 60 YEARS AND OVER

Saturday, December 18th from 9:30 a.m. to noon
Salle communautaire of Lantier

Dear citizens,

The place is yours! After all this time of uncertainty related to the health situation and following up on the survey conducted with you, we are back with the objective of deepening our knowledge of your needs.

Consequently, the MADA (*Municipalité amie des aînés*) committee invites you to participate in roundtable discussions at which you are invited to address various topics of interest.

There will be discussion tables with facilitators who will collect your suggestions and comments. A snack in the form of a continental breakfast (coffee, pastry, etc.) will also be offered.

The meeting will end with the drawing of an electronic tablet. This prize will be drawn among all participants who responded to the survey conducted last February.

As space is limited, it is highly recommended that you register to confirm your participation in this activity.

Round-trip transportation will be offered free of charge to those who request it.

Registration deadline : December 10, 2021

Tel : 819 326-2674, ext. 3400

The vaccination passport will be required to attend this meeting.

The MADA Committee would like to warmly thank you for your involvement. Your suggestions and / or recommendations will be carefully considered and taken into account when developing the policy and action plan for seniors.
